EVEN A MAGIC SWORD CAN'T GIVE YOU WHAT IT TAKES TO KILL A MAN.
TAKE IT FROM ME, I'M AN EXPERT.
WOOD OR STEEL, IT WON'T MAKE ANY DIFFERENCE IN THE END.
Well then. You're the expert.

VANIJI?
VANIJI!
VANIJI! WAIT UP, MY FEET HURT!
There's no time to waste! That smoke explosion won't hold them for long.
BUT I'M TIRED! CAN'T YOU JUST HYPNOTIZE EVERYONE INTO LEAVING US ALONE?
Not with my cane broken! Our only hope now is to pack quickly and leave this island, for good!
I'M NOT GOING ANYWHERE!
Is that what you think, my dearest?
Let me enlighten you. Hypnotism-
-or being an accomplice to a hypnotist, is a hanging offense on this island!

SWOON!
Tchyeah. You're lucky you're cute. Maybe now I can get some packing done.
BLEAH...
As if any judge could look at her and not see she's hypnotized out of her gourd.

How... but I just left... you were...?
Figures. The one time I *don't* kill a woman in her bed, it only causes trouble.
